Memo.

The Vernacular papers
ending with Amildar's No. 131
of 5th June 93 contain the follow-
ing facts :—

In their petition to the
Dy Commr. Hassan Dist of
19th January 1885, the inha-
bitants of Mallalé village
in the Manjarabad Taluk,
stated that the Inam land
of Rs 4-5-10, in the enjoyment
of Malleswara and Madhava
Devaru in the said village, from
time immemorial was
resumed 4 or 5 years ago, on
account of disrepair of the
temple, that it was since repaired
at their cost and the services
rendered properly and prayed
that the Inam resumed may
be restored.

The Amildar was
directed to inform the petitioners

that their prayers cannot be ~~granted~~ considered unless they thoroughly repaired the temple, and to report on this point after personal inspection. ~~He~~ He was further requested ~~to furnish~~ furnish information ~~as to who~~ on the following points:

1. In whose position is the land (resumed) at present

2. When and how he acquired it and whether he is willing make over the same ~~if~~ to the deity.

The Amildar and the Shekdar reported ~~that~~ it ~~would~~ cost considerable sums to effect substantial repairs, that in those malnad parts it is usual to have straw-roofing and that the mud-walls have been raised and the top ~~has~~ is covered with straw.

The Jamiabandi Officer inspected the temple on the 10th March/87 and observed that

the above representation was groundless and pointed out the portions of the temple which needed ~~immediate~~ repairs and the people consented to do so within a month. The period however was extended and on the 1st of November 1881 the Amildar certified that the following repairs have been effected ~~to~~ to the temple

Raising of the compound wall 2 ft 3 in by 4 ft on three sides north, ~~west~~ and South.

2 Putting up the ~~old~~ mud walls.

3. Repairing the roof

The people have been rendering service to the deity ~~&~~ by turns.

It appears that before the Survey Settlement ~~that~~ the 5 deities, Malledevaru, Madhava Devaru, Ligge Amma, Chowdi and Hosakere Chowdi enjoyed Inam lands ~~worth~~ of Rs 13 1-6 and that ~~lands~~ of 4-5-10 belonging to Malledevaru and Madhava Devaru were resumed by the Inam Dept on acc ~~of~~ their disrepair

*: Extent of the land assigned to each deity is not particularized.

But in Jakkandanti account of the year Pingala are 3 areka are mentioned viz. Malledevara Madhavadevaru ~~Lagge~~ Amma Lands have been assigned to these 3 temples, the berry of which is 8-11-8

The lands resumed appear to be cultivated by one Chennegowda ~~and the rest~~.

The important points as to who is in the ~~possession~~ possession of the land and whether he is willing to part with it ~~are left~~ are left as they are and no information available from the vernacular papers regarding them

I have the honor to report that in the village of Malalee, Manjarabad Taluk, the lands marginally noted have been assigned as Inam to the Temples of Malleshwarah, Madva Deva-ru, Sugge Amma, Batazuddar Chowdee, but during the Inam Settlement, as the Temples of Malleshwara and Madava Devaru, were not repaired within the time prescribed by the Inam Superintendent and

the temple Service was discontinued, the grant of Rs. 4-5-10 enjoyed by these two Temples was withdrawn. -

The villagers request that the Inam may be confirmed as they have now repaired the Temples, and have commenced the Service -

From the Amildar's report it appears that the Temples are put in order and the Service continued.

Under these circumstances I recommend that the Govt. may be pleased to sanction the grant of Rs. 4-5-10 which was withdrawn. -

Sir,

Referring to your docket No 1206, of the 2nd February last, forwarding Copy of the Inwards Secretarys docket with enclosures and Calling for the submission of certain information in Connection with the Inam Lands of Malledevaru Temple, in the Manjarabad Taluk I have the honor to report as follows -

The Amildar of the Manjarabad Taluk having been Called to furnish the needful information, he has sent me an Extract from the Jarsee Inamty account of Pyngala (1858) The Names of the 3 deities are shown therein as shown here under -

1 Malali Malledevaru
2 do Madavadevaru
3 Suggee Amma

Lands have been assigned to these temples as Inam the Bewz of which is 13-1-6

Portions assigned for each institution have not been particularized. The Amildar reports that before the Survey Settlement 13-1-6 Inam Land had been assigned as shown below -

For Malledevaru 2-2-11

For Madavadevaru 2-2-11

For Suggee Amma 4-5-10

For Balgaddi Khowdee 3-4-5

For Hoskere Khowdee 1-1-5

13-1-6

without defining the extent of land, to which each temple had been entitled. —

In the Inam settlement Rs 4-5-10 being the Jody amount on the lands belonging to the temples of Malledevaru and Madavadevaru were resumed as the temples were in a dilapidated Condition The remaining Inam lands of Rs 8-11-8 were confirmed to the other temples. —

During the survey settlement, the lands of these 5 temples were formed into 2 Survey Numbers with an assessment of Rs 15/ Thus there was an Excess of 1-14-6 over the former Beriz, viz 13-1-6, deducting 8-11-8 only 4-5-10 should be collected from these institutions; the Excess of Rs 1-14-6 was brought under Special Kaulatee. Of these 13-1-6, deducting 8-11-8 being of the Inam land of the 3 temples Confirmed and that of 4-5-10 was treated as that of assessed land From and was remarked by the Survey Department that of the former Beriz

foregoing it would appear that the Inam land of Rs 4-5-10 belonged to the temples of Malledevaru and Madavadevaru The temples are now Kept in a state of good repair and Puja is performed by the Villagers who-

who pray for the restoration of the Inam lands. —

The Kanarese papers ending with the Amildar's report № 131 of the 5th June last with Extract are Submitted, together with the Enclosures of the docket under reply. —
